Re: ASD (PSB) Term Contract

To Whom It May Concern:

Kesford (Hong Kong) Ltd is currently in a distribution agreement with Nukote Coatings Systems for the distributions and representation for Hong Kong and Macau territories of the Nukote Brand.

Under this agreement Kesford is the only approved installer and distributor for the territories defined in the agreement as Hong Kong and Macau. As part of this agreement Kesford must maintain current status of "*certified installer*" with an annual audit. This audit was just completed on the 26th march 2014 by Tad Bass.

Next audit will be conducted on or before March 30th 2015.
