**RE: ELS Works for Malvern College Hong Kong Campus at Area 4, Fo Chun Road, Tai Po**

This is to certify that Messer. Kesford (Hong Kong) Ltd. has been employed by our company to execute the waterproofing works at the captioned project.

We herewith confirm that Penetron Admix for waterproofing concrete has been used exclusively to the pile cap and walls of basement for the above project. Up to now, the foundation project had been completed almost 11 months without report of any significant leakage. Thus, we are happy to state that the performance of Penetron Admix is satisfactory.

Yours faithfully  
For and on behalf of
