Attn : Mr. Andrew , C.M. LAI

Dear Sir,

RE: Proposed Residential Development at STTL 574, Lok Wo Sha, Ma On Shan, N.T.

We refer to your request for an update on the performance of Penetron Admixture at the captioned project.

We are pleased to inform that Penetron Admixture were adopted to waterproof the swimming pool since 2016 and we are satisfy with the waterproofing performance. We would recommend to adopt the same product in our near future projects.

Thank you for your kindly attention.

Yours faithfully,

For and on behalf of

Unistress Building Construction Ltd.

Victor Cheung
Construction Manager
